I am a Front-end Developer with a passion for learning. I started learning to program five years ago as a hobby and it has grown into the passion that I have today. I may be new to the field, but I have the drive to learn and develop my skills as a developer.

EDUCATION

The Iron Yard, Cincinnati, OH

FEBRUARY 2017 - MAY 2017

A twelve week bootcamp where I studied and was certified in Front-end Development.

Marshall University, Huntington, WV

AUGUST 2014 - MAY 2016

I spent two years at Marshall studying Computer Science.

EXPERIENCE

FedEx Ground, Florence, Ky — *Package Handler*

July 2017 - Present

I was responsible for handling customer packages and loading them without damaging them.

Amazon, Hebron, Ky — *Fulfillment Associate*

AUGUST 2016 - FEBRUARY 2017

I was responsible for sorting and wrapping packages for shipment.

Walmart, Barboursville, WV — *Cashier*

JULY 2016 - AUGUST 2016

I was responsible for processing transactions and helping customers whenever I could whether or not it was in my department.

Subway, Barboursville, WV — *Sandwich Artist*

APRIL 2016 - JULY 2016

I was responsible for making sandwiches, processing transactions, and keeping inventory.
